

## Directions to the Sidow Lab

Go to Google Maps and enter “Edwards Building, Palo Alto, CA”. It will show a marker like in the screenshot below; it’s exactly where the lab is, on the third floor of the Edwards Building.

Park in Parking Structure 1. In the map below it is the building “P” on the corner of Roth and Campus. On the ground floor there are a lot of spaces that are metered with a credit-card reader. Be aware that they do fill up and it can be tough to find parking. If you can’t get parking there, try Lomita (bottom right corner in the screenshot).

Once you park, find your way to the Edwards Building. In the main 1st floor hallway between Edwards and Lane there is an elevator. Take it to the third floor, exit left, and go left into the first hallway, whose room numbers should start with an R and be odd-numbered. Lab is on the right in R301 and R309, R355 and R353 are on the left.
