

Directions to the Sidow Lab

Go to Google Maps and enter “Alway Building, Palo Alto, CA”. The lab and office are on the third floor of the Alway Building exactly where the blue dot is in the map below.

Park in Parking Structure 1. In the map below it is the building on the corner of Roth and Campus. On the ground floor there are a lot of spaces that are metered with a credit-card reader. Be aware that they do fill up and it can be tough to find parking. If you can't get parking there, try Lomita (by the Rodin Sculpture Garden).

Once you park, find your way to the Alway Building. There is an outside staircase slightly to the left as you approach the building from Roth way. Go to third floor, straight through the glass doors, turn left into the hallway with the odd-numbered rooms. M309 and M337A are towards the middle.
